

UNITED STATES DEPARTMENT OF EDUCATION

OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

JUL - 6 2005

Honorable Michael J. Willden  
Director  
Department of Human Resources  
505 East King Street, Room 600  
Carson City, NV 89701-3708

Dear Director Willden:

This is to inform you that we have conditionally approved Nevada's Application, including policies, procedures, methods, descriptions, assurances and certifications for Federal Fiscal Year (FFY) 2005 under Part C of the Individuals with Disabilities Education Act (IDEA) with special conditions, under the regulations governing "high risk" grantees in 34 CFR §80.12. Enclosed is an attachment detailing the special conditions and the reasons for considering the Nevada Department of Human Resources (NDHR) a high-risk grantee. Our determination that you are eligible for a conditional approval is based on our receipt of the Part C Application for FFY 2005, including the policies, procedures, methods, descriptions, assurances, certifications, and submission statement submitted on May 2, 2005, and amended on June 6, 2005, by the Nevada Department of Human Resources to the U.S. Department of Education, Office of Special Education Programs (OSEP), in which it assures that it will:

1. Operate consistent with the Part C requirements of PL 108-446 and its applicable regulations;
2. Ensure that the Statewide system of early intervention services required by Part C and its implementing regulations is in effect throughout the FFY 2005 grant period; and
3. Make such changes to, and submit for OSEP's approval, existing policies, procedures, methods, and descriptions as are necessary to bring those policies, procedures, methods and descriptions into compliance with the requirements of Part C of the IDEA, as amended, as soon as possible, and not later than the earlier of the date indicated by the State in Section II of its application or July 1, 2006. Section II of the State's application (which is incorporated by reference and enclosed with this grant letter) identifies the IDEA statutory sections for which the State needs to amend policies, procedures, methods and descriptions and the timelines by which the State will amend its policies, procedures, methods and descriptions in order to comply with Part C of the IDEA. Within Section II, the State has included the date by which it expects to complete necessary changes associated with any policies, procedures, methods and descriptions that are not yet in compliance with the requirements of Part C of the IDEA, as amended.

Under the authority of the Education Department General Administrative Regulations (EDGAR), 34 CFR §80.12, the Department has determined that NDHR is a "high risk" grantee for purposes of Part C of IDEA for FFY 2005. OSEP is releasing Nevada's FFY 2005 IDEA Part C grant award subject to the FFY 2005 special conditions, as set forth in Enclosure B. The special conditions are imposed to ensure that the funds are expended for the timely identification, evaluation and transition of, infants and toddlers with disabilities in Nevada.

Please note that as part of your State's Application for FFY 2005, your State has made an assurance, under 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the FFY 2005 grant period. Any changes made by the State,

after OSEP approval, to the State's Part C application (including policies, procedures, descriptions and methods) must meet the public participation requirements of IDEA, including those in 20 U.S.C. 1232d(b)(7).

Section IV.B of the FFY 2005 application for Part C funds requested updated information about each State's restricted indirect cost rate. Our records indicate that your agency has a restricted indirect cost rate proposal that has been approved by your cognizant Federal agency and is effective until June 30, 2005. Section IV. B of your State's Part C Application indicates that your agency will continue to apply this restricted indirect cost rate of 12.5 percent throughout the FFY 2005 grant year until a new restricted indirect cost rate or plan is approved by your agency cognizant Federal agency. Please forward to us your restricted indirect cost rate or cost allocation plan once it is approved by your cognizant agency.

The enclosed grant award for FFY 2005 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application and appendices, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

Section 604 of the IDEA provides that "[a] State shall not be immune under the eleventh amendment to the Constitution of the United States from suit in Federal court for a violation of this Act." Therefore, by accepting this grant a State is expressly agreeing to a waiver of Eleventh Amendment immunity as a condition of IDEA funding.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Troy R. Justesen
